

FOCUS ON PHYSICS 2014

Registration is from 8:15 am and the first lecture **begins at 9.00 a.m. sharp**. Writing materials and lunch will be provided.

As the provision of parking is extremely difficult, you should try to use public transport, if at all possible. The No. 1, No. 15 and "University" trams in Swanston Street stop at the University close to the School of Physics (which is on Swanston Street). The entrance to the **Laby Theatre** is through Gate 1 next to the School of Physics. A Map of the Laby theatre is available at:

<http://outreach.physics.unimelb.edu.au/Teaching/Professional-Development>
